

AP RACE LONDON INTERNATIONAL 2024

25-27 May 2024 // London Aquatics Centre

OFFICIAL & VOLUNTEERS EXPENSES POLICY

Thank you for your interest in helping at the 2024 edition of the AP Race London International. It's extremely exciting to be able to grow following last year's first step!

We have offers of help from all over the UK and Europe wanting to officiate and volunteer. Whilst only in our second year, unfortunately it is not viable for us to reimburse expenses for lots of people travelling long distances and requiring hotels.

Therefore when we are gathering officials and volunteers, we will consider the following:

1. **Those that officiated at the 2023 event.** You helped to launch our first year and therefore would like to offer the experience again.
2. **Proximity to London** / be within the London area
3. **Your qualification level** and the needs of the event
4. **Those from further afield that are happy to cover costs**

The above references travel and accommodation costs, but all officials and volunteers will receive an allowance per day to spend at the nearby kiosks or Westfield, as food will not be served at the venue [except tea and coffee].

Exceptions occur for the following:

1. World Aquatics Delegates and Starters
2. Lead Referees who may spend longer hours working across the project [agreed by the Event Director]
3. Certain qualification of official that we need to reach from outside the area [agreed by the Event Director]

- The link for officials to show their availability can be found here: <https://swim-meet.com/availability/?t=1>
- For other volunteering roles, please email us at events@aprace.club and let us know what area you would like to be considered for.

Thank you for your understanding and we look forward to welcoming you to the event.
