

Premier Inn Business Booker Rates

Please see below the rates that Premier Inn offer and how they can support you. These rates are available to swimmers, parents, and coaches. Within 5 working days of filling in the registration you will receive an invite to join 'Premier Inn Business Booker'. Once you are registered on the portal you will have access to special rates at over 800 hotels across the U.K. The rate terminology is explained below:

Business Flex (BFLEX)

This is a 5-15% discounted rate off the original 'Flex' rates that you would find on PI.com. This is a pay on arrival option with the ability to cancel/amend your bookings up to 1pm on the day of arrival. This rate provides you security that if plans change, you will not be charged so long as you have cancelled your room before 1pm on the day of arrival. This rate is perfect if you are waiting for competition entries to be confirmed and know competition dates well in advance. The best part about this rate is you can book up to 365 days in advanced, guaranteeing the best price and maximising savings without having to pay anything until you check in for each booking.

Semi-Flex

Pay now, fully refundable with free cancellation up to 3 full days before arrival. This gives slight flexibility when booking and is slightly cheaper than the Business Flex rate. Providing you the option to book in advanced at the best rate with the security that you can cancel/amend your booking 3 full days before arrival.

Standard

Pay now, non-refundable. Amendable check in date at the same hotel up to 1pm on the day of arrival. This is the cheapest rate availability with Premier Inn but takes away the flexibility in case your plans change. You can still book this rate in advanced, but you will have to pay when booking rather than when checking-in.

When booking on the Business Booker platform you have access to the 'Live Chat' function which gives you a direct point of contact with Premier Inn. This means the dedicated Business Support team will be able to assist you with any queries you may have around any bookings made on the platform.
